The Base Camp

The **Base Camp** is a sportsman's dream! Perfect for camping, hunting, or ice fishing. The **Base Camp** is also a great option for survivalists looking for something easy to transport and set up while maintaining the insulation properties and rigidity of a permanent structure.

Standard Size: 10 x 12

Standard Price: \$13,226.81

The Standard Features:

- Made of 2-3/4" SC7 composite
- Provides R11 insulation
- 85 lb snow load
- 125 mph wind load rating
- Custom interior / exterior colors
- Sliding aluminum thermo-pane windows
- Locking RV-style door

What This Means to YOU

- All SC7 composites are FDA approved for food contact. This feature also allows for easy clean-up of the panels- you can hose them off, bleach them, or even use lacquer thinner!
- The floor, roof and wall panels are insulated, making the **Base Camp** a warm and cozy shelter for harsh winters.
- Can your tent do that?!
- Or that?!!
- The colors are printed under the surface so they will not fade or scratch off.
- Enjoy the comforts of home.
- Even comes with the screen door.

Why You Need the Base Camp

The **Base Camp** allows you the ability to get off the grid but doesn't force you to sacrifice any of the amenities that a permanent structure provides. Customize your **Base Camp** with camo, barn wood, logs, shakes, or maple exterior. The possibilities are endless.
