## The Bunkhouse

The **Bunkhouse** is a perfect option for camping trips with friends. Because of our snap-technology, it's easy to knock-down and store. So no more fearing unexpected guests. Just set up the **Bunkhouse** and your worries are over!

**Standard Sizes and Prices:** 8 x 8      \$1,650.00

### The Standard Features:

- Made of 3/4" exterior grade plywood
- Comes equipped with bunk beds, latching door & ventilation windows
- Floor is suspended on all four corners
- Also includes a Hurricane Fly

### What This Means to YOU

- Though it is a bit heavier than our SC7 composite, the plywood is a perfect solution for a rigid tent. Best of all, you can paint it to your heart's desire. Great project for the whole family!
- The **Bunkhouse** provides sleeping solutions for up to 6 people!
- This "tent" keeps you off the ground.
- Constructed with a semi-transparent vinyl top for natural lighting. It's the same material that the Denver International Airport uses as a roof!

## Why You Need the Bunkhouse

If you don't want all the bells and whistles of the **Outfitter** or **Base Camp**, but you still want the convenient yet durable shelter that Rigid Tent Systems can offer, then the **Bunkhouse** is the Rigid Tent System for you!
